

2021 Easter Vacation Care

Mon	Easter Monday	Mon	Hatching Chicken
5	Centre Closed	12	Are you prepared for the arrival of some newly hatched chicks? Bring your inquiry minds for the learning of life cycle of a chicken as the incubators are set up and wait for the chicks hatch. If that's not exciting enough we will play some chicken/egg related games. \$70
TUES	Kite Kapers	TUES	Skate School
6	Come along to enjoy the last few days of sun before we head into winter. Today we are working in teams to create colourful kites, before head to the outdoor area for some lunch, a play on the playground, and chance to watch our kites soar. \$65	13	Skate Now is a mobile skate school delivering safe and fun skate program. They are coming to us this holidays. Let's learn to skate with their experienced coaches. All equipment and protective gear is included, as well as custom skate obstacles suitable for younger and beginner riders. \$85
WED	3D Drawing	WED	Snap-on Electrical
7	Drawing on the paper with a pencil is something we have all done before. What about drawing with a special pen that allows you to create 3D artworks? Come and learn to use this special tool. \$75	14	Today we are exploring the various theories of electronics. With a great educational tool, it is easy to construct an array of devices that use circuits, switches, electric motors, LEDs and more. \$75
THUR	Marble run	THUR	Glowing in the dark party
8	It will be a day full of fun as our students collaboratively attempting to build the longest marble run! There are different types of bricks available to build tracks with. \$75	15	We will dim the lights or black out some areas in our service. The students can enjoy a dance party with the glow in the dark accessories they make for themselves. Of course there will be other glow in the dark games to play to boost the excitement. \$70
FRI	Magic Show	FRI	Baking Day
9	Today we will have a special visitor to visit our centre. Julian Bull is an experienced magic show performer. He knows different kinds of magic with cards, coins, balls, eggs, napkins and ropes. It will get you to think whether what he does is magic or illusion. \$75	16	What is not to love about the warm delicious-smelling aromatics in a cold winter? Just show up and master the baking of cookies and cakes with us. \$70
